

Update March 18, 2020

Dear Valued Guest of Schafer's Restaurant and Riley's Pub

Given the rapidly changing developments around the corona virus (COVID-19) we will be closing both Schafer's Restaurant and Riley's Pub until further notice. We feel in light of the President's address along with medical official's statements it would be best to be part of the recommended proactive solution.

Thank you for your understanding and consideration during these challenging times.
