

The Parlor team would like to reach out and provide some peace of mind entailing the precautions we have put in place for the safety of ourselves and our clients receiving services. We have removed all communal items such as cups magazines and self-help coffee station items. We are more than happy to provide them to you upon request.

Between each client we are using OPI Spa complete to provide a clean safe space for the next guest. Please be patient as these cleaning agents do take a few minutes to properly work. We will reset the area and get right you the next service as quickly and efficiently as possible. We have been continually cleaning other common areas such as restrooms front desk and doorknobs.

We will be applying hand sanitizer to our hands and the hands of clients at the start of every service. This will be our temporary policy until concern has lifted. Thank you for your cooperation and we look forward to providing quality services to our community.
